Pantone Inc. hat für jede Vinyllinienfarbe ein Farbmuster zur Verfügung gestellt, das eine bestmögliche Nachahmung des PANTONE MATCHING SYSTEM® Farbstands bei Betrachtung unter nördlichem Tageslicht (6500°K) darstellt. Das Aussehen der Farben hängt von den Lichtverhältnissen und dem Betrachtungswinkel ab. Die aktuellen PANTONE-Farbstände entnehmen Sie bitte den neuesten PANTONE MATCHING SYSTEM® Publikationen. PANTONE® und andere Pantone Inc. Warenzeichen sind Eigentum von Pantone Inc. Portions® Pantone Inc. 2000. Hergestellt nach Lizenzvertrag Nr. 914R zwischen Avery Dennison Corporation und Pantone Inc.

Pantone, Inc. hat stillet en farverefereceskala til rådighed for hver enkelt vinylliniefarve, hvilken repræsenterer den mest nøjagtige PANTONE MATCHING SYSTEM® farvestandard. Farverne skal ses ved dagslys, idet de vendes mod nord (6500°K). Farvens udseende vil variere alt efter lysforhold og synsvinkel. Jævnfarve de aktuelle PANTONE MATCHING SYSTEM® publikationer med henblik på de aktuelle PANTONE farvestandarder. PANTONE® og andre Pantone, Inc. varemærker er ejendomme af Pantone, Inc. Portions® Pantone, Inc. 2000. Produceret i henhold til licensaftalen nr. 914R mellem Avery Dennison Corporation og Pantone, Inc.

Vissa PANTONE-identificerade färger kan variera från PANTONE färgnamnerna pga slutanvändningens tekniska specifikationer eller begränsningar i färgförmågan hos det aktuella materialet. De visade färgerna är simuleringar av de identifierade PANTONE-färgerna. Var god kontrollera aktuella PANTONE MATCHING SYSTEM®-publikationer för att se aktuella PANTONE-färgstandarder. Pantone, Inc. har en färgreferanse for hver vinylliniefarve. Denne repræsenterer nærmeste tilsvarende PANTONE MATCHING SYSTEM® farvestandard når fargene beskues i dagslys på den nordlige halvklode (6500°K). Hvordan fargen vil se ut vil variere avhengig av lysforhold og synsvinkel. Konsulter gjeldende PANTONE MATCHING SYSTEM®-dokumentasjon for å se den gjeldende PANTONE farvestandarden. PANTONE® og andre Pantone, Inc.-varemerker eies av Pantone, Inc. Produert i henhold til lisensavtale nr. 914R mellom Avery Dennison Corporation og Pantone, Inc.

Jokaisella vinyyliväriä on Pantone, Inc.:n väri-vite, joka vastaa lähintä saatavana olevaa PANTONE MATCHING SYSTEM®-väriä pohjoisen päivävalossa tarkasteltuna (6500°K). Värisävy muuttuu valaistusolosuhteista ja katselukulmasta riippuen. Ajankohtaisista PANTONE MATCHING SYSTEM®-julkaisuista löydät voimassa olevat PANTONE-väristandardit. PANTONE® ja muut Pantone, Inc. tuotemerkit omistaa Pantone, Inc. Portions® Pantone, Inc. 2000. Valmistettu Avery Dennison Corporationin ja Pantone, Inc.:n välisellä lisenssiosuimuksella nro 914R.
